

# What Pelaw Main Public School offers your child

At Pelaw Main Public School, we develop safe, respectful and active learners.

## Student success

- We produce excellent outcomes such as 55% of Year 5 students demonstrating a 'strong' capacity in writing in NAPLAN. Further, numerous students achieved distinctions and high distinctions in the Newcastle Permanent Mathematics Test.
- Pelaw Main PS creates safe, respectful and active learners who move onto make leaps and bounds at high school!
- Our school offers free, high-quality education for lifelong learning and success.

## A world of opportunities

- Students have the opportunity to participate in sports competitions and gala days, public speaking competitions, Minecraft competitions, leadership opportunities and more!
- Well resourced, our school has a range of technology to facilitate student learning, including iPads and Dash bots.
- We have a team of dedicated staff and cutting-edge resources helping students thrive across the curriculum.

## Diverse communities

- Our students come from a wide range of backgrounds, and our Aboriginal and Torres Strait Islander students participate in making decisions within our school through the Aboriginal Education Team (AET).
- Our students are exposed to a variety of cultural customs, including our own Yarning Circle and Bush Tucker garden!
- We celebrate diversity and create well-rounded global citizens.

## Support for all learners

- We make sure students are fully prepared to thrive at high school through transition programs with our local high school, Kurri Kurri High School.
- We have School Learning Support Officers for students who require additional support with learning.
- Individualised learning plans ensure all students can grow with confidence, resilience and are prepared for the future.
