Principal's Report

Today the students from 5/6L ran the school assembly. Our senior students have lots of talent and certainly showed that with their contribution to the assembly. Miss Latter and Miss Roach worked with the students during the week. This week we welcomed Daniel, a student from Kurri Kurri High School, who has been working in the 2/3 class as part of the high school work experience program.

Daniel thinks that he would like to be a teacher when he completes his schooling and by working in our school it may help him with the decisions that he will make about his future.

We have had a number of sick students and teachers during the week. The flu or the tummy bug, are resulting in a large number of absences. Please contact the of-

fice or see the teacher if your child is unwell and not attending school.

Partners in Print – each Thursday afternoon

Yesterday Kindergarten parents were involved with the program with Mrs Harris and Mrs Burton. Next week, K/1 (7th Jun) will be having Partners in Print, followed by 1/2P (14th Jun) and 2/3 (21st Jun).

Breakfast Club Tuesday morning

We have had two parents offer to continue with the breakfast club at school. Dana and Jodie will offer breakfast to our students every Tuesday starting next week. The *Hunter Charitable Foundation* has sent the school money to assist with this program and our parents will buy the groceries each week from our local IGA store. If any other parent would like to assist please see me.

Playgroup

Next Wednesday will be the last playgroup for the term. Mrs Tweedie will re-

sume playgroup in term 3. Often during the month of June many children who attend the playgroup are sick and she has found that it is better to wait until term 3 to start the group again. When she finalises the day and dates for the sessions we will advertise them in the newsletter.

Staff News

Mrs McLellan returned to school this week and was very excited to have her library back. She has shared a library with two classes over the past years and library lessons have often been delivered in class rooms rather than the library. As all the building work is complete Mrs McLellan may now have lessons in her library every week.

Thank you to all parents, students and staff that have tolerated the changes that we have made over the years as the most affected area was our library program.

General Information

Staff News Cont:

Mrs Palmer and Miss King continued with their training in the Literacy program for Kindergarten students last Tuesday. During term 1 and 2 both teachers attended Cessnock East for training every two weeks for part of the day.

This L3 (Language, Learning and Literacy) program supports a literacy program for Kindergarten. Mrs Harris was trained in this program last year and is continuing with the implementation of the program with the children in her Kindergarten class.

At the beginning of next term Mrs Lantry will return to work with the K/1 class. She has been on maternity leave for the last two terms and will work each Thursday and Friday and Mrs Palmer will continue working Monday, Tuesday and Wednesday.

Sport News

School sport is continuing every Monday afternoon. Every child must wear a hat for sport as the groups are often across the road or in the playground.
